Get involved with
your School
Organizational Team!

It is time to prepare to vote for four parents to serve on our Lois Craig ES School Organizational Team. State law requires all schools to organize a School Organizational Team. This team is represented by all stakeholders which includes parents. We will complete this voting process in the last week of September. Your involvement in this process is so essential and we hope that multiple parents or guardians will forward their name as a possible candidate for these **four positions** on the team. Please review this survey. It explains the role of parents in the School Organizational Team process and how we will share candidate names and information with the community. If you are interested in serving as a member of our School's Organizational Team, please completely fill out this survey and contact your child's teacher of your interest by September 6. We will host the election in the last week of September.
